

THE K N S B L ARTS & COMMERCE COLLEGE, KHERALU

ACTION TAKEN REPORT- 2022-23

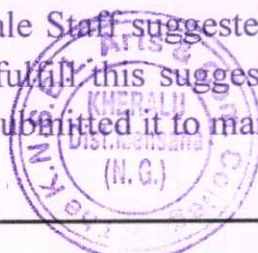

STUDENTS FEEDBACK REPORT:

Our college obtains feedback from students using College Android App and website on a regular basis, Students give their opinion on various aspects like Coverage of Syllabus in the Classes, Academic Environment, Quality of Teaching etc. The IQAC of the college analyzed and interpreted the feedback obtained from 635 students for the academic session 2022-'23 and made a report. Suggestions received from the students were discussed in the meeting of IQAC and some of the areas which needed attention were identified keeping the needs of the students in mind.

- College initiated efforts to soft skills, life skills and employability skills. Career Guidance Lectures were organized and placement drives conducted.
- IQAC initiated steps to strengthen infrastructure development and more extracurricular activities especially for students.
- Extracurricular activities i.e. Debate, Elocution, Guest lectures, Eco-club, Blood donation camp etc. under the auspices of NSS were encouraged and students were motivated for their active participation.
- More attention is given to cleanliness of college campus including Washroom, Classroom, Medicinal Plant Garden and its surroundings.
- The Libraries of the college updated with latest editions of textbooks, reference books to meet the demand of the NEP-2020 of Govt. of India.

TEACHERS FEEDBACK REPORT:

Upon careful analysis of the feedback received from our esteemed teaching staff, several commendable trends have emerged. The majority of teachers express satisfaction with the college's academic environment, acknowledging the collaborative and supportive culture that prevails. The positive sentiments reflect a strong sense of commitment among faculty members and praise for the administration's efforts to foster an environment conducive to both teaching and professional development. Some faculty members suggested to install ICT facilities and college has decided to install Projectors in each class and to develop Smart Class. Female Staff suggested to have separate room for Female Members of the staff. To fulfill this suggestion, College Principal immediately prepared the proposal and submitted it to management.
